MOBILE READY

NON-TOXIC
SAFE DEPLOYMENT

RCRA COMPLIANT
LANDFILL APPROVED

WHY ENVIRO-G®

The **Enviro-G® UTG-50 Spill Response Kit** is engineered for fast, effective containment of aqueous and organic liquid spills — including PCB contaminated oils and hydrocarbons — in the field, in the shop, or on industrial sites. It gives utility crews, field techs, and maintenance teams everything needed to respond immediately to petroleum leaks, hydraulic releases, diesel spills, and other emergency response situations. Housed in a weather-resistant rotomolded case, it stays compact, organized, and ready for deployment.

ABSORBS

Oil • PCB-Contaminated Fluids • Antifreeze • Solvents •
Paint • Hydraulic Fluid • Organic Liquids

Kit Components

FTUTG50 — CONTENTS

01	Enviro-G® 10 lb Spout Bag	1 ea
02	Enviro-G® 5 lb Shaker	1 ea
03	Enviro-G® Absorbent Socks (3" × 5')	4 ea
04	Universal Absorbent Pads	20 ea
05	Clor-N-Oil® 50 PCB Screening Kit	1 kit
06	Honeywell® Eyesaline® Eyewash	1 ea
07	Dynasty Guzzler® Degreaser (1 qt)	1 ea
08	J-B Weld®	2 ea
09	Refillable Rotomolded Case	1 ea
10	Tamper-Proof Waste Labels	6 ea
11	Heavy-Duty Disposal Bags	5 ea

Made in USA
Assembled in Tennessee
